PA	Music	KS3 (Year 7 and 8) Tasks on SMHW. Students to download Cubase, SongMaker, Incredibox, Online Drum Machine to do creative tasks. For theory: watch videos on Music Matters, and fill in quizzes on quizlet.For appraisal skills, we will use BBC 10 pieces. Performance: they will be set a rhythm performance task, which they can do on 'junk percussion so that all can access.		Year 9: Tasks will be set on SMHW. Use Songmaker and Incredibox (or own software) for creative tasks. Theory and appraisal will be learnt via Focus on Sound, Music Matters, Quizzes and tests on Google Classroom. Performance to agree individual performance objectives with CN and send recordings to show progress.	Tasks will be set on SMHW. Use Focus on Sound to learn new set works, Music Matters videos to consolidate theoretical understanding. A creative task will be completed using the free version of Cubase. A performance task will be agreed individually	Tasks will be set on SMHW. Students must have their scores at home. Revision tasks will be set using practice questions: FocusonSound; Seneca. Composition and Performance- students will be contacted individually with Action Plans.	Students will need their textbooks, and tasks will be set on SMHW. Composition - they can download a free notation softwae package to continue their project.	Students must have their anthologies and packs of printed questions from LM at home. Weekly essay tasks will continue to be set on SMHW. The online revision docs will be available as usual. Composition and performance tasks will be arranged individually with CN	
	Performing Arts	Will be set a non-practical work booklet which should last for 3-4 lessons. Another creative project will be added later, focus on theatre show analysis and practitioner research.
