## KS3 Progression Map: Teacher

	Research & Analyse	Experiment & Develop	Record & Reflect	Create & Evaluate
<b>New GCSE</b>				
<b>7+</b>	Skills are above the below	Skills are above the below	Skills are above the below	Skills are above the below
<b>6</b>	Analysis of artists shows personal opinion	Ideas sketched with a good level of accuracy, detail and understanding	Presentation reflects theme in a creative way	Final outcome is skilled and shows refinement
<b>5</b>	Sources are high quality and independent Context shows deeper understanding	Annotation reflects properties of materials Later experiments show improvement	Accurate use of specialist terms Few errors in spelling and grammar Consistent and creative control of drawing	Final outcome fulfils brief Accurately identifies successes and weaknesses
<b>4</b>	Analysis shows some opinions which are explained More than provided sources are used	Ideas show growing creativity and understanding Annotation shows some understanding of properties of materials	Presentation partially reflects theme Some specialist terms used	Final outcome shows aspects of refinement Final outcome partially fulfils brief
<b>3</b>	Context is appropriate	Growing refinement in later experiments	Some errors in spelling and grammar Growing control of drawing	Some success and weaknesses identified
<b>2</b>	Analysis identifies but doesn't explain opinions Only uses provided sources	Ideas copied and hesitant Little understanding in annotation	Presentation shows limited understanding Limited use of specialist terms	Final outcome is incomplete or poorly finished Final outcome shows limited understanding of brief
<b>1</b>	Irrelevant context	Minimal improvement in later experiments	Frequent errors in spelling and grammar Limited control of drawing	Evaluation lacks understanding
<b>P</b>	Skills are below the above	Skills are below the above	Skills are below the above	Skills are below the above
