

31st October 2016

Dear Student,

### **Choices at 16+ Evening**

**Thursday, 1<sup>st</sup> December 2016, 6.00 pm - 8.00 pm**  
**Larkmead School, Faringdon Road, Abingdon, Oxon, OX14 1RF**

As a GCSE student you will have started thinking about your education and training after the age of 16. In Abingdon there are unparalleled opportunities in further education within the Abingdon Consortium for Education.

The Abingdon Consortium for Education is a partnership between Fitzharrys, John Mason and Larkmead schools and Abingdon & Witney College. The consortium has a deserved national reputation for its effectiveness in giving a good education to students in the town. OFSTED inspectors have praised the standard of learning and the organisation of our consortium in recent inspections.

We are writing to invite you to our Choices at 16+ Evening, an important event in the town's educational calendar. It is an excellent opportunity for you to find out about our new broader offer for 2017 with a range of Level 3 vocational courses included. These can be combined with the A Level courses on offer in our consortium.

Specialist teachers representing over 30 different subject areas will be in the Sports Hall at Larkmead School to meet you and give you information and advice about all of the A/AS Level and Level 3 courses on offer. A short presentation will be delivered at 6.45pm to explain choices at 16+.

We do hope you will be able to join us. We are sure that the evening will be of great value to you and your parents/carers as you decide your post-16 options.

With our best wishes,

W. Browne  
Assistant Head  
Fitzharrys School

Maureen Boyle  
Assistant Principal  
Abingdon and Witney College

J. Dering  
Director of Learning for KS5  
Larkmead School

C. Sissons  
Head of Sixth Form  
John Mason School
