### *Extra Support - Revision Cafe*

Year 11 Tutors will support a general session to support all students in the 6<sup>th</sup> Form Block/Conference Room\* on Tues/Wed/Thu. The intention is to provide an areas where students can come and work alongside others, in a calm and focussed atmosphere, with the support of non-expert adults. This session can offer support in the event of a clash elsewhere.

### **Guidelines**

1. The timetable has been constructed to give the core subjects a priority session (highlighted Red). They are entitled to instruct students to attend that session, if the data supports that decision.
2. All other subjects can request students to attend on these days, but need to defer to the Core Subject if the data supports it.
3. Where there is a potential clash, the tutor or HOY, with their strategic overview of data and the SAP process, will have the final say on where it is most advisable for the student to spend their time.
