This policy complies with our funding agreement and articles of association.

## 3. Introduction

At John Mason School, we aspire to create a culture which provides all students and staff with a safe, calm and supportive learning environment to improve the life chances of all those we serve. To achieve this, we expect students to foster positive attitudes to their learning, develop a self-belief that they can achieve in life and to respect others around them in everything they do. All adults are expected to help

the students they work with to develop these attitudes. All students are expected to take responsibility for their behaviour and encourage others to do the same. Our Connectedness and Behaviour for Learning Policy echoes our school values of Opportunity, Respect and Determination.

At John Mason School we emphasise the teaching and development of positive behaviours and teach good character which lead to consistently good habits and over time which form part of students' character.

We have high expectations of students and communicate them clearly. When required, we will manage poor behaviour and choices with appropriate responses, but this is balanced rewards being consistently used to celebrate the meeting of expectations and improvements in behavioural habits over time. Our aim is to remove the need for the deterrent by instilling our school values in every student's character.

Our responses are proportionate to the behaviour and consistently applied. Reasonable adjustments are made for those students where the behaviour policy does not meet their needs (for example in the case of students with certain special educational needs).

#### **4. Principles**

At John Mason School we recognise that students need to be taught and re-taught the behaviours we expect in school. This is critical in a secondary school where children are moving between teachers. We do not rely on negative disproportionate punishments which have the potential to damage relationships between staff and students and can lead to tension, resentment, and a revenge mentality.

The schools' responses to unacceptable behaviour are routed in respectful certainty. Certainty which is necessary to ensure a consistent and fair message to all. Showing respect because they are appropriate and morally weighted and help the student to learn and make choices in the future. This leads to the building of stronger connections between staff and students.

By teaching the behavioural habits we want students to exhibit we expect to see them make progress through their time as a member of the school community. Similarly, we recognise the need for staff to develop their own skills in dealing with challenging or disruptive behaviour. Staff induction and training are essential to ensure that they take a consistent approach to following the school's policy and that all staff continue to develop throughout their careers.

Finally, we recognise that the connectedness and behaviour policy must be reviewed and adapted to meet emerging needs.

#### **5. Definitions**

**Misbehaviour** is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes

- Inappropriate mobile phone use, including taking videos/pictures of staff or students, distributing videos/pictures of staff or students, upskirting, bullying, spreading malicious rumours, refusal to hand over items to staff when requested

## **6. Bullying**

**Bullying** is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying is either physically or emotionally (cyberbullying is different from other forms of bullying: a single incident can be experienced as multiple attacks). Bullying can take many different forms, but no form of bullying will be tolerated at the school.

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another’s belongings, any use of violence
Prejudice-based and discriminatory, including: <ul style="list-style-type: none"> <li>• Racial</li> <li>• Faith-based</li> <li>• Gendered (sexist)</li> <li>• Homophobic/biphobic</li> <li>• Transphobic</li> <li>• Disability-based</li> </ul>	Taunts, gestures, graffiti, or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps, gaming sites, devices or via images, audio, video, or written content generated by artificial intelligence (AI)

Bullying can often be an emotive subject however, as a matter of principle, all students have the right to be happy, safe, and comfortable, and consequently no student has the right to make anyone else feel unhappy, unsafe, or uncomfortable. Students doing so by whatever means, including verbal, written, or electronically will be dealt with using the methods as outlined in this policy. If necessary, the police may be informed.

We understand that friendship issues occur, these will also be addressed.

Details of our Anti Bullying Strategy and Anti Bullying Policy can be found on our website.

Extra support and induction will be provided for students who are mid-year arrivals.

## **7.6 Home School Agreement**

At John Mason School, our parents, carers and families fully support the school. We recognise that educating children effectively is a process that involves strong partnerships between parents and carers, staff, and the wider community.

The Home School Agreement reminds all parents and carers, staff and students about the expectations of this relationship. This is so we can ensure all young people can be safe, happy, and successful.

We place great importance on the partnership we enter into when a student joins the John Mason School Community, and we expect all parents and carers to sign and return the Home School agreement as an illustration of their commitment to work together in this partnership.

## **8. School behaviour curriculum**

### **8.1 Boot Camp**

During the first week of September, we teach all students how to behave around our school so that these behaviours become part of their daily routine. Below are the key areas that we focus on and that we believe need to be taught. Boot Camp is also important for staff to learn how to work as a team when managing behaviour in our school. We do revisit these routines through tutor groups and year group assemblies on a termly basis so that they become the habit and the norm.

We teach the following routines:

- How to complete Roll Call which will regularly be used to start each morning and afternoon session.
- How to walk from Roll Call to lesson and how to move around the school site between lessons.
- How to enter and where to sit in assembly.
- How to walk to and line up for a fire drill and how to return to lessons when the drill is completed.
- How to line up to buy food / drink at break and lunch.
- How to respond to any staff member when asked to follow instructions.
- How to respond to any staff member when given a formal or informal warning.

We also teach the following routines in the classroom so that there is consistency for all students in every lesson. These include:

- Completing the Do Now Activity (DNA) in silence so that the register can be taken part of the lesson
- Showing respect by being silent when the teacher asks for it.
- Showing respect by following instructions at the first time of asking and without delay.
- Showing respect to ourselves and others by allowing all other students in the class the opportunity in the class get on with their work.
- Demonstrating respect when responding to any staff member when given a formal or informal warning.
- Demonstrating determination by completing the work set and putting in 100% effort.
- Ending the lesson promptly all resources are put away leaving the room tidy for the next class.

### **8.2 Responses to behaviour expectations**

We support our students and staff by ensuring that they understand the school's behavioural expectations, acknowledging and rewarding positive behaviour and using responses when unacceptable behaviour occurs. We aim to work in partnership with parents to support positive behaviour choices.

### **8.3 Responses to students meeting behaviour expectations**

We aim to encourage excellent behaviour for learning by encouraging all students to make positive behaviour choices, we recognise and reward students for demonstrating our core values of Opportunity, Respect and Determination. Some examples of how they could show this are:

- Arriving on time at the start of the school day and for every lesson.
- Being respectful to their peers and to the adults they encounter.
- Showing determination in their learning, working hard to achieve goals.
- Wearing the John Mason School uniform with pride.

- Being properly organised by having all the correct equipment and by meeting deadlines for work.

Students can receive positive house (achievement) points that are recorded on Bromcom and collated throughout the year. Some examples are shown below.

School Value	Positive behaviour for which a positive House Point may be rewarded:
Opportunity:	<ul style="list-style-type: none"> <li>• A student has shown commitment to extra-curricular activities.</li> <li>• A student has completed independent research / learning outside of the lesson.</li> <li>• A student has taken on a volunteering role within school e.g. helping at whole school events.</li> <li>• A student has shown sustained leadership in a lesson, in their form or wider school community.</li> <li>• A student has given up their own time to help others.</li> </ul>
Respect:	<ul style="list-style-type: none"> <li>• A student has shown exceptional respect to others or the environment.</li> <li>• A student has acted on feedback given and made progress.</li> <li>• A student has demonstrated an Act of Kindness.</li> <li>• A student has demonstrated being inclusive of others.</li> <li>• Advocating on behalf of others.</li> </ul>
Determination:	<ul style="list-style-type: none"> <li>• A student has demonstrated significant resilience.</li> <li>• A student has sought help and then made significant progress in class.</li> <li>• A student has shown improvement in the quality of their homework.</li> <li>• A student has improved their Reading Age.</li> <li>• A student has a good attitude to learning which has been reflected in an assessment.</li> </ul>

When students demonstrate positive behaviour over time, staff will take the opportunity to celebrate excellence through a range of opportunities including the following:

Positive behaviour	School's response
Initial positive behaviour:	<p><b><u>Response Level 1</u></b></p> <ul style="list-style-type: none"> <li>• Verbal praise.</li> <li>• House/Achievement point.</li> </ul> <p>These may be repeated multiple times.</p>
Continued positive behaviour:	<p><b><u>Response Level 2</u></b></p> <ul style="list-style-type: none"> <li>• Postcards home.</li> <li>• Announcement in celebration assemblies.</li> <li>• Certificates of recognition.</li> </ul>
Ongoing positive behaviour:	<p><b><u>Response Level 3</u></b></p> <ul style="list-style-type: none"> <li>• Trophies.</li> <li>• Big Reveal Assembly</li> <li>• Whole School Assembly</li> <li>• Celebration Evenings</li> <li>• Rewards Evenings</li> </ul>

#### 8.4 Responses to students not meeting behaviour expectations:

We recognise that there are times at John Mason when students make the wrong choices about their behaviour. We view these moments as opportunities for learning how to make better choices in the future and we respond accordingly.

The aims of the staff response system are:

- To give students the opportunity to develop positive attitudes.
- To do everything we can to keep students in the classroom, where they can learn.
- To foster better relationships between staff, students, and parents for the benefit of all.
- To ensure a respectful and proportionate response for negative behaviours.
- To ensure certainty and consistency in our responses to negative behaviours.

Below is the response ladder which staff will use when determining the correct response to negative behaviour:

Student's behaviour	School's response
<p><b>Low level disruption</b> e.g. act of unkindness, calling out, not following instructions</p>	<p><b>Response Level 1 (R1)</b> <b>Reminder:</b> Teacher reminds students of expected behaviour and gives 'take up time.' This might be repeated many times in a lesson – if they get compliance it is working.</p>
<p><b>Repeated low level disruption</b> impacting on others in the class.</p>	<p><b>Response Level 2 (R2)</b> <b>Repeated reminder:</b> Teacher repeats reminder of expected behaviour. Reminds student that this is the n<sup>th</sup> time they have been reminded and warns of further consequences.</p> <p><b>End of lesson conversation:</b> Teacher speaks to the student privately for 1 minute as the class is dismissed. Teacher provides a summary of behavioural issues and explains the need for a change next lesson. The teacher will log an R2 on Bromcom, this is recorded as a negative behaviour point</p>

<p><b>Multiple repeated examples of low-level disruption in the same lesson.</b></p>	<p><b><u>Response Level 3 (R3)</u></b></p> <p>If the behaviour is significant/persistent the teacher may decide that an end of conversation and R2 is not enough as there was no change to their behaviour.</p> <p>Towards the end of the lesson, the teacher will speak privately to student during the 1-minute conversation to inform them of the R3 detention. the Detentions are never issued during the lesson.</p> <p>The teacher will log an R3 on Bromcom, this is recorded as a negative behaviour point. Parents will be informed of the detention.</p>
<p><b>Low level disruption is being repeated across several lessons within a two-week period.</b></p>	<p><b><u>Response Level 3</u></b></p> <p><b>Escalation to subject leader:</b></p> <p>If the same student is displaying repeated, low-level disruption over several lessons, a teacher might refer the student to their subject leader.</p> <p>The subject leader has a number of options:</p> <ul style="list-style-type: none"> <li>Spend a number of lessons with the subject leader to complete their work</li> <li>Subject report to them for 2 weeks, then review to decide on next steps</li> <li>Arrange a meeting with the parent, student, teacher, and themselves to discuss the way forward, to help repair any breakdown in the relationship in the lesson, setting targets and reinforcing school expectations and routines linked to school values</li> </ul> <p>The subject leader will also inform the Form Tutor and HOY of actions taken, this will enable the Form Tutor to help support the student to be better organised and prepared for the lessons.</p>
<p><b>High level disruption in the lesson and the student needs to be moved to a different room for the rest of the lesson.</b></p> <p>Use of the geographical rota for Room Swap or the faculty leader if available.</p>	<p><b><u>Response Level 3 (R3)</u></b></p> <p>If the behaviour of the student is significantly disrupting the learning of others, the student can be asked to go to another room to complete their work for that lesson.</p> <p>There is a school-wide faculty support timetable for every lesson, this might be within a faculty, or it could be based on geographical areas of the school to minimise the length of time it takes students to move from one class to another.</p> <p>The teacher will inform the student of the room they should go to with their work to complete for the rest of the lesson, returning their work at the end of the lesson.</p> <p>The teacher will log an R3 on Bromcom, parents will be informed of the reason for the detention.</p>

<p><b>Dangerous/ unsafe behaviour in the lesson</b></p> <p>Either the Faculty leader emails on call or the teacher</p>	<p><b><u>Response Level 4</u></b></p> <p>On Call should be used if:</p> <p>A student is displaying dangerous or unsafe behaviour in the class and all other methods of de-escalation have been tried</p> <p>A student who has been highly disruptive in the lesson and has refused to go to the designated faculty support room as requested by the class teacher or the subject/faculty leader.</p> <p>The teacher will log an R3 on Bromcom, this is recorded as a negative behaviour point. Parents will be informed of the detention.</p>

### **8.5 Mobile Phones, Earphones, and other Electronic Devices.**

Mobile phones, earphones/Airpods and other devices are not permitted on the school site. These devices must be out of sight and on silent or switched off during the School Day.

At no point should a student ever take a picture of a member of staff, this could result in a fixed term suspension. The length of the suspension will be determined by the extent of the issue.

Mobile phones, earphones/Airpods or electronic devices used onsite will be confiscated and stored safely.

The return of confiscated items will take the following pattern:

- First confiscation: returned to the student at the end of that day
- Second confiscation: returned only to a parent or carer.
- Third or further confiscation: contract signed to hand over device upon entry to school.

If a student refuses to hand over a phone, the student will be placed in reintegration, parents notified and may have to hand over their device on entry to school, if they persistently fail to comply, they may be suspended.

Year 12 and 13 students may only use their mobile phones in the Sixth Form Common Room.

Students who refuse to follow instructions to hand over their device to staff after a breach of the school's behaviour policy will receive an appropriate sanction.

### **8.6 Safeguarding:**

The school recognises that changes in behaviour may be an indicator that a student needs help or protection.

We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information

## **8.7 Detentions**

As stated earlier in the behaviour expectations and routine section, teachers are expected to call home and explain why the student has a detention the following day at lunchtime.

Students are expected to go to detention by themselves once they are informed of the sanction. If the detention is after school, staff on call during lesson 5 may pick up the student during the last 15 minutes and deliver to M6 for 1 hour.

Students will be expected to remain silent for the duration of the detention. Students may also be required to do tasks to assist the community such as putting up displays or picking up litter.

John Mason operates the following detentions which staff are required to log on Bromcom by 3.30pm daily so that parents are informed:

- R3 = 30-minute lunchtime detention the following day, if missed escalated to an R4.
- L3 = Late to school without validation = 30-minute lunchtime detention the following day, if missed escalated to an R4.
- R4 = 1 hour detention after school the following day.
- R5 = Multiple R3's in same day, Reintegration for one session the following day or serious incident.
- R6 = Alternative to Suspension – should a student not be successful in the reintegration room a response which avoids suspension will be explored and used if appropriate.
- R7 = Fixed Term Suspension.

After school detentions may well cause inconvenience for parents and carers. For example, students may need to pick up younger siblings. However, it is essential that students also realise the inconvenience they have caused through their behaviour choices. We expect parents and carers to support all behaviour sanctions. Where appropriate, reasonable adjustment may be made to the application of these sanctions.

## **8.8 Reintegration Room (M6)**

The school operates an internal exclusion/removal room facility, which is a sanction the school can give short of suspension. There are three sessions in a day and the student will be provided work and expected to complete this to the best of their ability. This room is for students who have disrupted the learning of others, received multiple R3's in a day or for breaches of the school's behaviour policy. This will be recorded as R5.

We recognise that students need time and a safe space to regulate their behaviour. The reintegration room will be used for one or more lessons and is an opportunity for students to re-set and to get ready to learn again. This could involve completing a reflection sheet of their behaviour, setting targets for improvement, a letter of apology to a staff member.

On arrival at school, staff on gate duty will escort students to M6 where they will be expected to hand over their mobile phone and remove outside coats. These will be stored securely for the duration of their time in M6. If the session is B or C, the student is expected to make their own way to M6, On Call might be required to collect them from lessons.

Students will be supported to access materials which reflects the curriculum experienced by their peers and undertake work provided. Work in this space is largely independent and silent; however, reasonable adjustment is made where appropriate.

Students who fail to follow instructions on arrival or disturb other students in the removal room could receive an automatic Fixed Term Suspension.

Communication will be made to parents or carers of students who spend time in The Reintegration Room. This will be recorded on the student's file on Bromcom.

It may be necessary to give a student an alternative to suspension (A2S), where the student is placed with a member(s) of SLT for the day rather than placing them in the reintegration room. Work will be provided by the class teachers and a process of reflection will be carried out and the student will receive support with their work where needed. This will be recorded as R6 on Bromcom

Repeated incidents of significant / persistent disruptive behaviour by a student may result in part or full-time placement in our on-site alternative provision, 'The Lodge.' This setting is designated for students who need more support to be successfully reintegrated back into mainstream classes. They will receive an appropriately tailored curriculum which reflects their needs whilst retaining access to the expertise of subject specialist teachers and appropriately trained staff. This provision may form part of a longer-term intervention.

## **8.9 Fixed Term Suspension**

Fixed term suspensions are used for a serious breach or breaches of the school's behaviour policy. Students will be suspended from school for between 1 and 45 days in an academic year. Parents and carers will be informed the day before with the reasons for the fixed term suspension by the Head of Year or a member of the Senior Leadership Team. This will be followed up with a letter to parents and carers with a copy held on the student's file. The Local Authority will also be informed of the suspension. This is recorded on Bromcom with R7

Students will remain at home for the duration of a fixed term suspension and will be provided with work from the school to complete and return upon a reintegration meeting. Parents or carers whose children are outside of the home during school hours will be subject to a penalty notice.

A reintegration meeting will take place as soon as possible after the fixed term suspension. This must be attended by the student and parents or carers to ensure that the school and parents or carers are able to support the student. Conditions for reintegration and support strategies will be agreed at this meeting and all parties must attend. A date will be set to review progress against these conditions four weeks later. The decision to suspend a student for a fixed term rests with the Headteacher, or, in their absence, the Deputy Headteacher.

When a student receives a fixed term suspension, the school will follow the statutory requirements as stated in the Department for Education, 'Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England, including pupil movement' document.

### **8.10 Senior Leadership Team Panel**

Students failing to meet the School's expectations may be invited to attend a Senior Leadership Panel consisting of the Senior Leadership Link, Head of Year, Student Support Manager along with their parents or carers to discuss their child's behaviour, the impact on others and how parents and the school can work together to support the child further in being successful and meeting School expectations. The outcome of this meeting will be a 12-week Pupil Support Plan. At this stage, the school will alert the Local Authority of the risk of Permanent exclusion.

### **8.11 Governors' Panel**

Students persistently failing to meet the School's expectations, despite the measures outlined above will be invited to attend a Governors' Panel along with their parents or carers to discuss their child's behaviour, the ongoing impact on others and how parents and the school can further work together to support the child in being successful and meeting the School's expectations.

### **8.12 Managed move**

A managed move is designed to give a student a fresh start at another school, hopefully to avoid a permanent exclusion or further deterioration in behaviour at their registered school. The Local Authority is kept informed of such cases.

A managed move is usually in place for 12 weeks. In exceptional circumstances, it may be extended. During this time there will be three interim reviews to assess progress toward pre-agreed targets. If successful, at the end of the 12-week period, the student will be enrolled fully at their new school.

At any point, based on a cumulative or significant single incident, the receiving school may terminate the managed move. If the managed move is terminated, the student will return to their original school immediately.

### **8.13 Permanent Exclusion**

A permanent exclusion is when a student is no longer allowed to attend the school (unless the student is reinstated by the governing board). The decision to exclude a student permanently should only be

taken in response to a serious breach or persistent breaches of the school's behaviour policy, and if by allowing the student to remain in school would seriously harm the education or welfare of the student or others such as staff or students in the school.

When establishing the facts in relation to a suspension or permanent exclusion decision the Headteacher will apply the civil standard of proof, i.e., 'on the balance of probabilities' it is more likely than not that a fact is true, rather than the criminal standard of 'Beyond reasonable doubt.' This means that the Headteacher should accept that something happened if it is more likely that it happened than that it did not happen.

Before a student is permanently excluded, appropriate interventions and sanctions will have been put in place (unless it is a one-off serious incident which warrants permanent exclusion). When making the decision to permanently exclude a student, the impact on the education and safety of the student and staff body will be of utmost importance, therefore there will be times when a permanent exclusion is the only solution.

When a student is permanently excluded, the school will follow the statutory requirements as stated in the Department for Education, 'Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England, including pupil movement' document.

In implementing this policy, staff will have regard to the school's safeguarding procedures, Child Protection Policy and procedures and the Academy's ICT safety procedures. The overriding principle always will be the safety, security, progress, and achievement of the students.

## **9. Serious Incidents and Malicious allegations**

This section of the policy is supported through staff training, the tutor programme, PSHE and assemblies ensuring that knowledge and understanding remains current and both staff and students alike remain vigilant.

### **9.1 Verbal Abuse, Physical Assault, Intimidation and Threats towards Staff**

Our staff have the right to work and support students in an environment free from verbal abuse, intimidation, aggressive behaviour and threats. Verbal Abuse, Physical Assault, Intimidation and threats directly or indirectly aimed at a member of staff, will not be tolerated. Students who Verbally Abuse, Physical Assault, Intimidate or threaten a member of staff will receive a fixed term suspension or could face a permanent exclusion.

### **9.2 Fighting, Violence, Assault and Offensive Weapons**

Physical contact of any kind will not be tolerated. Students caught fighting will be isolated in the reintegration room, suspended for a fixed term, or permanently excluded, as appropriate for the behaviour, age and stage of the child.

Students caught carrying offensive weapons, including items of sporting equipment for no good reason, may be placed in the reintegration room, suspended for a fixed term, or permanently excluded.

We reserve the right to contact external agencies such as the police and social care for guidance and support in such instances.

In some instances, it may be appropriate to refer students to the community police officer where fighting, violence or discrimination have been raised as a concern. The purpose of this is educational.

### **9.3 Drugs and Other Illegal Substances and Alcohol**

Possession, use, supply or distribution of illegal substances or alcohol is strictly forbidden. Students caught violating this rule on School property, to and from the school, or when representing the school will face serious consequences, as appropriate to the age and stage of the child. These could include, but are not limited to:

- Permanent exclusion
- Fixed term suspension
- Internal removal
- Police involvement
- Social Care involvement
- Support from external agencies
- Undergoing a drugs test
- Preventative measures such as well-being checks and searches are employed when deemed necessary.

### **9.4 Smoking/Vaping**

The school is a non-smoking/non vaping site and is illegal under the age of 18. Students caught smoking or vaping on the grounds will receive a fixed term suspension. Students caught with smoking/vaping paraphernalia on them, will be isolated in the Reintegration room and parents/carers will also be informed.

Those caught in the company of smokers/vapers will receive an appropriate response from the school.

Discrimination against 'Protected characteristics'.

Discrimination of another person because of one or more of the protected characteristics below will not be tolerated and will be addressed in accordance with this policy. Where necessary, the police will be informed. Protected characteristics are as follows:

- Age.
- Disability.
- Gender reassignment.
- Marriage and civil partnership.

- Pregnancy and maternity.
- Race, ethnicity or national origin.
- Religion or belief.
- Sex (gender).
- Sexual orientation.

Clear records of all incidents are kept ensuring that there is no unintentional discrimination.

### **9.5 Malicious Allegations**

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false, or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and students accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other students.

### **9.6 Malicious use of the Fire Alarm**

Malicious use of the fire alarm is a serious breach of the School's Behaviour Policy and is a threat to the safety and wellbeing of the community, both inside and outside of the school. Students who have caused the fire alarm to sound with malicious intent will receive a fixed term suspension. Please refer to our Safeguarding Policy for more information on responding to allegations of abuse. The headteacher will also consider the pastoral needs of staff accused of misconduct.

### **9.7 Vandalism/Misuse of School equipment (including ICT)**

Students who are found to have vandalised or misused school equipment (including ICT) will be appropriately sanctioned according to the offence, age, and stage of the child. This behaviour will accrue at least an internal isolation in reintegration but could warrant fixed term suspension or permanent exclusion. We reserve the right to withdraw internet access. The police will be informed if there are grounds for believing a criminal offence may have been committed.

## **9.8 Disruption to Learning**

All students have a right to receive an education, free from unnecessary disruption. Where disruption to learning occurs, appropriate sanctions will be applied. Persistent non-cooperation will result in an escalation of sanction such as students being placed in internal isolation or a fixed term suspension. Persistent disruptive behaviour can lead to permanent exclusion.

While in lessons, students are expected to make the most of every opportunity and show determination and respect by:

- Arriving on time, equipped and ready to learn.
- Following instructions, first time, every time.
- Respectfully engaging in their learning such as listening to others and waiting their turn.

These expectations are displayed in classrooms as a reminder.

## **9.9 Physical Contact**

We do not permit physical contact of any kind with other students unless appropriate to the learning such as PE or Drama lessons. Unnecessary physical contact anywhere in the school will result in a sanction determined by the circumstances.

## **9.10 Behaviour Outside of the School**

Sanctions for behaviour outside of the school will be put in place in the following circumstances:

- Students taking part in any school-organised or school-related activity.
- When students are travelling to or from the school.
- When students are wearing school uniform or when identifiable as a student at the school.
- Students disrupting the orderly running of the school.
- When a student poses a threat to another student or member of the public.
- Students demonstrating behaviour which could adversely affect the reputation of the school.
- Any incident which prevents School students from feeling safe and comfortable whilst at school, this includes behaviours already covered.
- Use of social media with the intent to cause harm to others.

Students who fail to meet expectations outside of the school may be prevented from attending future trips and visits.

## **9.11 Online misbehaviour**

The school can issue behaviour sanctions to students for online misbehaviour when:

- It poses a threat or causes harm to another student
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school

- The student is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

### **9.12 Suspected criminal behaviour**

If a student is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, a member of the SLT, designated safeguarding lead or headteacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

### **9.13 Zero tolerance approach to sexual harassment and sexual violence**

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information [Child Protection and Safeguarding Policy](#)

#### **9.14 Reasonable force**

Reasonable force covers a range of interventions that involve physical contact with student. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a student from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents/carers

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

#### **9.15 Searching and confiscation**

Searching and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

##### **Confiscation**

Any prohibited items (listed in section 3) found in a pupil's possession because of a search will be confiscated. These items will not be returned to the student.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to student after discussion with senior leaders and parents/carers, if appropriate.

##### **Searching a student**

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the student, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the student can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the student; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the student. During this time, the student will be supervised and kept away from other students.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the student is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other students or staff at risk
- Consider whether the search would pose a safeguarding risk to the student
- Explain to the student why they are being searched
- Explain to the student what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the student the opportunity to ask questions
- Seek the student’s co-operation

If the student refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the Assistant Head, designated safeguarding lead, Deputy Head or Headteacher to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the student. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a student's outer clothing, pockets, possessions, desk, or locker.

'Outer clothing' includes:

- Any item of clothing that is not worn next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes, or boots

Searching students' possessions

Possessions means any items that the student has or appears to have control of, including:

- Desks
- Lockers
- Bags

A student's possessions can be searched for any item if the pupil agrees to the search. If the student does not agree to the search, staff can still carry out a search for prohibited items (listed below) and items identified in the school rules.

An authorised member of staff can search a student's possessions when the student and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Staff will search students where there is reason to believe they have one or more of the following items in their possession:

- Knives, razors, and weapons (catapults/guns including BB and piercing guns)
- Scissors and pencil sharpeners
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Nicotine products (gum/patches/pouches or 'snuss')
- Lighters/matches
- Vape Pens and vape cartridges
- Fireworks/explosives
- Laser pens/LED torches
- Water pistols

- Pornographic images
- Chemicals (bleach/hair dye/gas cannisters)
- Any article that has been or is likely to be used to commit an offence, cause personal injury, put someone at risk of harm, damage to property or disrupt learning.

A response from the school will be applied if any of the above items are found.

Staff will confiscate the following items if they are brought into school:

- Energy/fizzy drinks
- Sweets
- Chewing gum

Searches will be undertaken by a member of senior staff and support staff. The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a student was in possession of a prohibited item as listed above
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed above), including incidents where no items were found, will be recorded in the school's safeguarding system.

### **Informing parents/carers**

Parents/carers will always be informed of any search for a prohibited item (listed above). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found if anything
- What has been confiscated if anything
- What action the school has taken, including any sanctions that have been applied to their child

### **Support after a search**

Irrespective of whether any items are found as the result of any search, the school will consider whether the student may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

### **Strip searches**

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be

carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the student's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

### **Communication and record-keeping**

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the student's parents/carers to inform them that the police are going to strip search the student, and ask them whether they would like to come into school to act as the student's appropriate adult. If the school cannot get in touch with the parents/carers, or they are not able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The student's parents/carers will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises and monitor them for any trends that emerge.

### **Who will be present**

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the student, except in urgent cases where there is risk of serious harm to the student or others.

One of these must be the appropriate adult, except if:

The student explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**

The appropriate adult agrees

If this is the case, a record will be made of the student's decision, and it will be signed by the appropriate adult.

No more than 2 people other than the student and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements, and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher

- Be of the same sex as the student, unless the student specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the student specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the student could be seen by anyone else.

### **Care after a strip search**

After any strip search, the student will be given appropriate support, irrespective of whether any suspected item is found. The student will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the student may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any student(s) who have been strip searched more than once and/or groups of students who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

## **10. Behaviour Support Strategies**

A number of lower-level behaviour support strategies will be used to support students in improving their behaviour according to the age and stage and SEND needs of the child, generally prior to internal isolation or fixed term suspensions. The following is not an exhaustive list nor is it a sequence of strategies.

### **10.1 Medium-Term Behaviour Support Strategies**

One or more of these strategies may be used to help improve a student's behaviour:

- An educational discussion or restorative justice meeting with a member of staff
- Detentions with an explanation of why the sanction has been applied
- Form tutor report with positive targets set
- Teacher or subject report with targets set
- Head of Year report with targets set
- Curriculum leader report with targets set
- Senior Leadership Team report with targets set
- In-house Mentoring
- Phone calls to parents to report poor behaviour or comment on improved behaviour
- Parent meeting

## **10.2 Long-Term Behaviour Support Strategies**

Students persistently presenting with poor behaviour, or those that commit a particularly serious incident, may require longer-term behavioural support. This could involve:

- Behaviour Support Plan (BSP)
- School Counselling service
- Home Visits by Attendance Manager or student support manager
- Reintegration timetable
- Outreach Link Worker / mentor
- Multi-Agency Meeting
- Adviza Careers Guidance
- Youth Offending Team (YOT/YISP)
- Attendance Officer meeting with parents and student
- Parenting Contract
- Attendance Panel
- Pastoral Support Plan (PSP)
- Behaviour Support Plan (BSP)
- Work Experience
- Education Psychologist (EP)
- Input from the Specialist Teacher Service
- Child Adolescence Mental Health Service (CAMHS) referral
- Managed Move
- On-site alternative provision on a part-time or full-time basis
- Part Time- or Full-Time attendance at an alternative provision setting for a fixed period

## **11. Responding to misbehaviour from pupils with SEND**

### **11.1 Recognising the impact of SEND on behaviour**

The school recognises that students' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a student's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a student's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from students with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

Taking reasonable steps to avoid any substantial disadvantage to a disabled student being caused by the school's policies or practices (Equality Act 2010)

Using our best endeavours to meet the needs of students with SEND (Children and Families Act 2014)

If a student has an education, health, and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

We have a number of reasonable adjustments for students with SEND, these include:

- Short, planned movement breaks for a student with SEND who finds it difficult to sit still for long
- Seating plans that allow a student with visual or hearing impairment to sit in sight of the teacher.
- Adjusting the uniform for a student with sensory issues or severe skin conditions, this could also include the use of noise cancelling earphones

### **11.2 Adapting sanctions for pupils with SEND**

When considering a behavioural sanction for a student with SEND, the school will consider whether:

- The student was unable to understand the rule or instruction
- The student was unable to act differently at the time as a result of their SEND
- The student was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes,' it may be unlawful for the school to sanction the student for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

### **11.3 Considering whether a student displaying challenging behaviour may have unidentified SEND**

The school's special educational needs co-ordinator (SENCO) may evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners, and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

#### **11.4 Students with an education, health, and care (EHC) plan**

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

### **12. Supporting pupils following a sanction**

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

A reintegration meeting will take place as soon as possible after the fixed term suspension. This must be attended by the student and parents or carers to ensure that the school and parents or carers are able to support the student. Conditions for reintegration and support strategies will be agreed at this meeting and all parties must attend. A date will be set to review progress against these conditions four weeks later. The decision to suspend a student for a fixed term rests with the Headteacher, or, in their absence, the Deputy Headteacher.

When a student receives a fixed term suspension, the school will follow the statutory requirements as stated in the Department for Education, 'Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England, including pupil movement' document.

The school operates an internal exclusion/removal room facility, we call this reintegration (M6) which is a sanction the school can give short of suspension. There are three sessions in a day and the student will be provided work and expected to complete this to the best of their ability. This room is for students who have disrupted the learning of others, received multiple R3's in a day or for breaches of the school's behaviour policy. This will be recorded as R5.

We recognise that students need time and a safe space to regulate their behaviour. The reintegration room will be used for one or more lessons and is an opportunity for students to re-set and to get ready to learn again. This could involve completing a reflection sheet of their behaviour, setting targets for improvement, a letter of apology to a staff member.

On arrival at school, staff on gate duty will escort students to M6 where they will be expected to hand over their mobile phone and remove outside coats. These will be stored securely for the duration of their time in M6. If the session is B or C, the student is expected to make their own way to M6, On Call might be required to collect them from lessons.

Students will be supported to access materials which reflects the curriculum experienced by their peers and undertake work provided. Work in this space is largely independent and silent; however, reasonable adjustment is made where appropriate.

Students who fail to follow instructions on arrival or disturb other students in the removal room could receive an automatic Fixed Term Suspension.

## **13. Student transition**

### **13.1 Inducting incoming students**

The school will support incoming students to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

## **14. Training**

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

Boot Camp expectations and routines

The needs of the pupils at the school

How SEND and mental health needs can impact behaviour

Behaviour management will also form part of continuing professional development.

## **15. Monitoring arrangements**

### **15.1 Monitoring and evaluating behaviour**

The school will collect data on the following:

Behavioural incidents, including removal from the classroom

Attendance, permanent exclusions, and suspensions

Use of Alternative Provision, off-site direction, and managed moves

Incidents of searching and confiscation

Perceptions and experiences of the school behaviour culture for staff, students, governors, and other stakeholders (via anonymous surveys)

The data will be analysed every year by the SLT.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term

- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

### **15.2 Monitoring this policy**

This behaviour policy will be reviewed by the headteacher and Governing Body at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data.

## **16. Links with other policies**

This behaviour policy is linked to the following policies:

Exclusions policy

[Child protection and safeguarding policy](#)

Physical restraint policy

Anti-Bullying policy

[Attendance Policy](#)
