## **Appointment of Headteacher at John Mason School**

Governors, staff and students at John Mason School, with trustees and central trust staff, all met with the candidates over an intensive two day interview process this week, in both formal and informal activities.

From a very strong field of candidates, we are delighted that Alastair West has accepted our offer of the post of Headteacher and will join the school in September.

We are very pleased that Mrs Rogers, currently Deputy Head has agreed to lead the school in the role of Acting Head from Easter, and Mrs Rogers and Mr West will work together in the latter part of the summer term to ensure a smooth transition for the new academic year.

We know that you will warmly welcome Mr West to the school.

With all best wishes,

Jonathan Hopkins  
Chair

Dr Fiona Hammans  
Chief Executive
