

John Mason School
Excellence Through Creativity

Tuesday 12th September

Dear families,

It has been good to see students moving towards a normal routine, with Year 12 and 13 spending more time in Fitzharrys, Year 11 and 7 back in school and Years 8, 9 and 10 working from home. Tomorrow is the turn of Year 10 to join the Year 11s for in school learning and we can't wait to see them. It will be the turn of Year 9 on Thursday and Year 8 on Friday.

We have updated our website to include links for students working from home tomorrow. Please find the links for Wednesday here:

[Timetables and work for this week - John Mason School](#)

Without our normal facilities, our food service was difficult today. I'd like to thank our catering staff, who worked well beyond their shifts, and staff who went to Tesco's to collect sandwiches, going out of their way to ensure all students were fed. We are increasing our capacity for tomorrow.

We understand how frustrating it is for students to be forced to work from home. I'd like to thank our teachers for their efforts to make sure resources are high quality and linked to the work being completed in school (while moving between venues and with very little workspace).

Finally, I want to thank you. The whole JMS team has been grateful for your warm messages of support and encouragement.

Yours Sincerely

Alastair West
Headteacher
