Friday 15 September 2023

Dear parents and carers,

Since I last wrote to you, we have had a surveyor on site and there is some positive news. All buildings, apart from the main block, have been extensively surveyed and no RAAC has been found.

Investigations are continuing for the main block, and we expect a final surveyor's decision on this by the middle of next week.

This does mean that we will need to continue restriction to the site for next week, and the main block remains closed, but we can accommodate a further year group on site, full-time each day, and Mr West will update the arrangements separately.

I am sorry that we have no definite information yet, which does mean that we cannot provide clear timescales.

At this stage, planning for next week on the same basis as this week makes sense, alongside the more detailed information that Mr West will share with you about the year groups that will be in school and on which days.

Yours sincerely,

Dr Fiona Hammans
CEO
Abingdon Learning Trust
