Tuesday 19 September 2023

Dear parents and carers,

We now have confirmation that a DFE-commissioned surveyor will visit the school site this Friday to look in detail at the main block.

They will provide immediate verbal feedback, once the survey is complete and we can then either continue with the current arrangements and determine an appropriate structural mitigation plan, or open the school fully. If we can open the school this would be from Monday 25 September. But we do not know that this will be the case.

Until we have the surveyor's professional advice, we are unable to give you any definite information.

For next week, I suggest that you plan on the same basis as this week. On Friday, we will be able to let you know exactly what the forward plans are.

Yours sincerely,

Dr Fiona Hammans
