Invigilator RECRUITMENT PACK

September 2023

### About ABINGDON LEARNING TRUST

From the outset, the creation of Abingdon Learning Trust remains about maximising opportunities for children and young people in our schools so that each individual can thrive, grow and succeed.

Adding value more widely to the communities in which our schools sit is important to us too, and our Trust-wide commitment to achieving a Net Zero position in two generations of students, by 2035, demonstrates one facet of this.

We believe strongly that local school governors and school leaders know their schools best and are therefore in the position to make decisions for their school most effectively, with much responsibility delegated locally by the Trust Board.

We aim to celebrate diversity and promote equality of opportunity for all who learn and work in our schools and Trust; to create a culture and ethos where inclusion, equality and diversity are embraced; where employment and educational opportunities are open to all; and where everyone in the Trust is treated with fairness, dignity and respect.

We are committed to being the employer of choice in the area, and understand that great staff directly help our pupils and students reach their full potential for a happy and successful life.

Our commitment to staff includes our Wellbeing and Workload Charter and investment in CPD at all ages and stages; an additional structure of teacher Professional Pathways, which include strong support for ECTs, NPQs and preparation for the next professional challenge; and a culture that places carbon reduction towards a net zero position by 2035 at its heart.

We believe in investing for all of our futures.

### Introduction to JOHN MASON SCHOOL

John Mason School is an oversubscribed 11-18 comprehensive school in the riverside town of Abingdon. John Mason has a long history of opportunity-driven learning – at our Welsh Farm, on Duke of Edinburgh expeditions, on the sports field, or in the creative and performing arts. We know that our pupils learn more about themselves and each other when interacting in this way, growing resilience and confidence to take into the classroom.

The school is one of three comprehensives in the town and we work together, as part of the OX14 Partnership, and obviously within our Trust family of schools. This gives us a local network of support in all that we do. We have a joint sixth form (JMF6) with Fitzharrys School, which is half a mile away, and this means we can offer further breadth to our post-16 curriculum as well as opportunities for collaboration of teachers.

We offer a broad and balanced curriculum, which reflects our commitment to a well-rounded education that ensures visible success for all learners. We are committed to high quality teaching and learning which is supported by our developmental lesson observations, learning groups which are dedicated to persistent classroom problems and subject specific professional development. In addition to this, we offer a wide range of career pathways and welcome our staff to request external training.

We are committed to the well-being of our community, both staff and students. Our wellbeing team support a range of activities throughout the year including active challenges, free flu-jabs and the occasional bake off. We also have our very own well-being manager to support colleagues when needed. However, we know well-being is not just about cake, which is why we foster a supportive environment where professional development and collaborative working is key to success.

We believe that high standards of academic achievement and consistently high expectations of behaviour provide children with the stable and calm environment in which to learn effectively. We expect the best of our teachers; they must be passionate about their subjects and committed to continuing to learn themselves. This is at the heart of our community.
