My Apps : this is where you will access everything you need

Bromcom VLE : this is where you will find your homework and other information such as your timetable, achievement points etc.

Google Classroom : this is where some teachers might post their lesson powerpoints, notices, extra work etc.

When you login to a computer at school, the My Apps page will automatically appear.
Here is how to login from home...

1. Type into the web browser: **myapps.microsoft.com**
2. Sign in using your John Mason e-mail address and password
if you forget your password, ask your computer science teacher or Mr. M

A screenshot of the Microsoft login page. It features the Microsoft logo at the top left, followed by the text 'Anmelden' (Sign in). Below this is a text input field labeled 'E-Mail, Telefon oder Skype'. There are two links: 'Kein Konto? Erstellen Sie jetzt eins!' and 'Sie können nicht auf Ihr Konto zugreifen?'. At the bottom are two buttons: 'Zurück' (Back) and 'Weiter' (Next).

yours will appear in English...

your e-mail address...

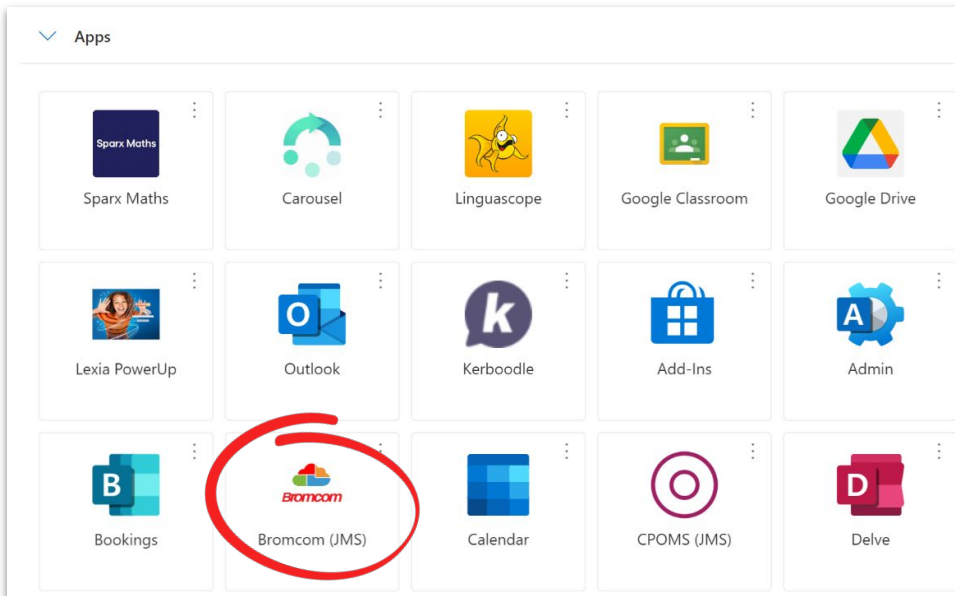

23smithb@johnmason.school

initial of your first name
e.g., **B**oberina

your last name
e.g., **Smith**

year you would have
started JMS in Y7 (20**23**)

Once you have signed in, you will be taken to your main dashboard page...
Here you can see all the different apps for your subjects together in one place!

We are going to focus on **Bromcom** next.

This is the teacher version, yours will look similar but the app will be called **Bromcom VLE**.

Submitting your homework...

This is how homework tasks appear.

Some pieces of homework your teacher will ask you to **submit online** - there will always be instructions to help you.

Once you have finished, click **submit**.

You will only see the submit button if you are asked to submit your homework online.

Press **close**, then tick **hide** so that you know which homework you have done and what is left to do.

Bromcom VLE Student App

There is also a Bromcom student app that you can download and use for free.

This app is handy to have on your mobile but it is not essential.
