

## Learning from Home – Thursday 14<sup>th</sup> September

The timetable below shows the working from home tasks for year 7, 8 and 10 for Thursday 14<sup>th</sup> September. These will be available on the school website here: <https://www.johnmason.oxon.sch.uk/students-and-parents/plans-for-working-from-home/>  
Please click the links in the subject title to access learning resources and instructions.

We advise that students should not spend significantly more than 1 hour on each lesson. So, if work is not completed within an hour, it would be better to move on to the next subject.

If you encounter a link that will not work, or you can not find work in the folder, please email Dr Stanger [astanger@johnmason.school](mailto:astanger@johnmason.school) saying what year and subject you are having problems with. While you are waiting for advice, you could move on to a different lesson.

If you need further guidance with the work, contact your subject teacher.

Students' in school timetables can be found on the same part of the school website:
