

Learning from Home – Wednesday 20th

Year 9 and Year 10 working from home

To access the correct lesson resources, students will need to click their year group below, and then select the correct subject that they would have on Monday of week A.

For every subject, the first lesson has been labelled as 'Lesson 1'.
Some students will be having their second lesson of the week for the subject, so should access 'Lesson 2'.
Further resources will continue to be added throughout the week.

Students should refer to the paper copies of their timetables they were given in school in the first week or can access their timetables by logging into Bromcom.

[Year 10](#)

If you encounter a link that will not work, or you can not find work in the folder, please email Dr Stanger astanger@johnmason.school saying what year and subject you are having problems with.
While you are waiting for advice, you could move on to a different lesson.

If you need further guidance with the work, contact your subject teacher.
